

February is Pet Dental MONTH

We know you love your pet, so give them the gift of dental health!

To celebrate Pet Dental Month, we are offering discounted dental services starting at \$350 through April 30, 2018.

This includes:

- a pre-dental examination
- dental cleaning (under general anesthesia)
- nursing care
- post-dental care instructions

\$350*

According to the American Veterinary Dental Society, more than 80% of dogs and 70% of cats have dental disease by the age of 3. Dental (or periodontal) disease is the most frequently diagnosed health problem in pets. Help your pet live happier and healthier with a dental cleaning!

Plus 20% off of dental care products to keep up healthy dental care at home!
(toothbrush and toothpaste kits, dental food, and treats)
